Dear Member of Crown of Life,

"We have different gifts, according to the grace given us. If a man's gift is prophesying, let him use it in proportion to his faith. If it is serving, let him serve; if it is teaching, let him teach; if it is encouraging, let him encourage; if it is contributing to the needs of others, let him do so cheerfully." (Romans 12:6-8)

Please take a moment to review and fill out the membership questionnaire. We pray that by filling out the form prayerfully, you will have an opportunity to reflect on the gifts that the Lord has given to you for service in his kingdom. Using the response that this survey brings forward, our church leadership hopes to have a better idea with which talents God's people at Crown of Life are blessed. Taking a look at the bigger picture, we hope to see which gifts and skills are most common to help in charting a thoughtful plan for *worship*, evangelism, outreach, and spiritual growth for the souls in our church.

The personal information you supply will be held in strict confidence. The pastor, church council, and church administrator will have the only access to identifying information. Non identifying information will be made available to the members in order to reflect on common interests, gifts and strengths.

Again, we hope that you will take a moment to reflect on this questionnaire. As adopted children of God by the blood of Jesus, we are called to "...in view of God's mercy, to offer your bodies as living sacrifices, holy and pleasing to God—this is your spiritual act of worship." (Romans 12:1) As Crown of Life takes inventory of its gifts and resources, its leaders will more easily plan for God-glorifying service in the Kingdom.

In Christ,
